Documentation with Speed–DocOps!

Nivedita Aggarwal
Director, Information Services

12th Dec 2015

The Heavy Stuff

Authoring

Reviewing

Translating

Publishing

Maintaining

...More Heavy Stuff

And then Isolation!!!

Documentation with Speed

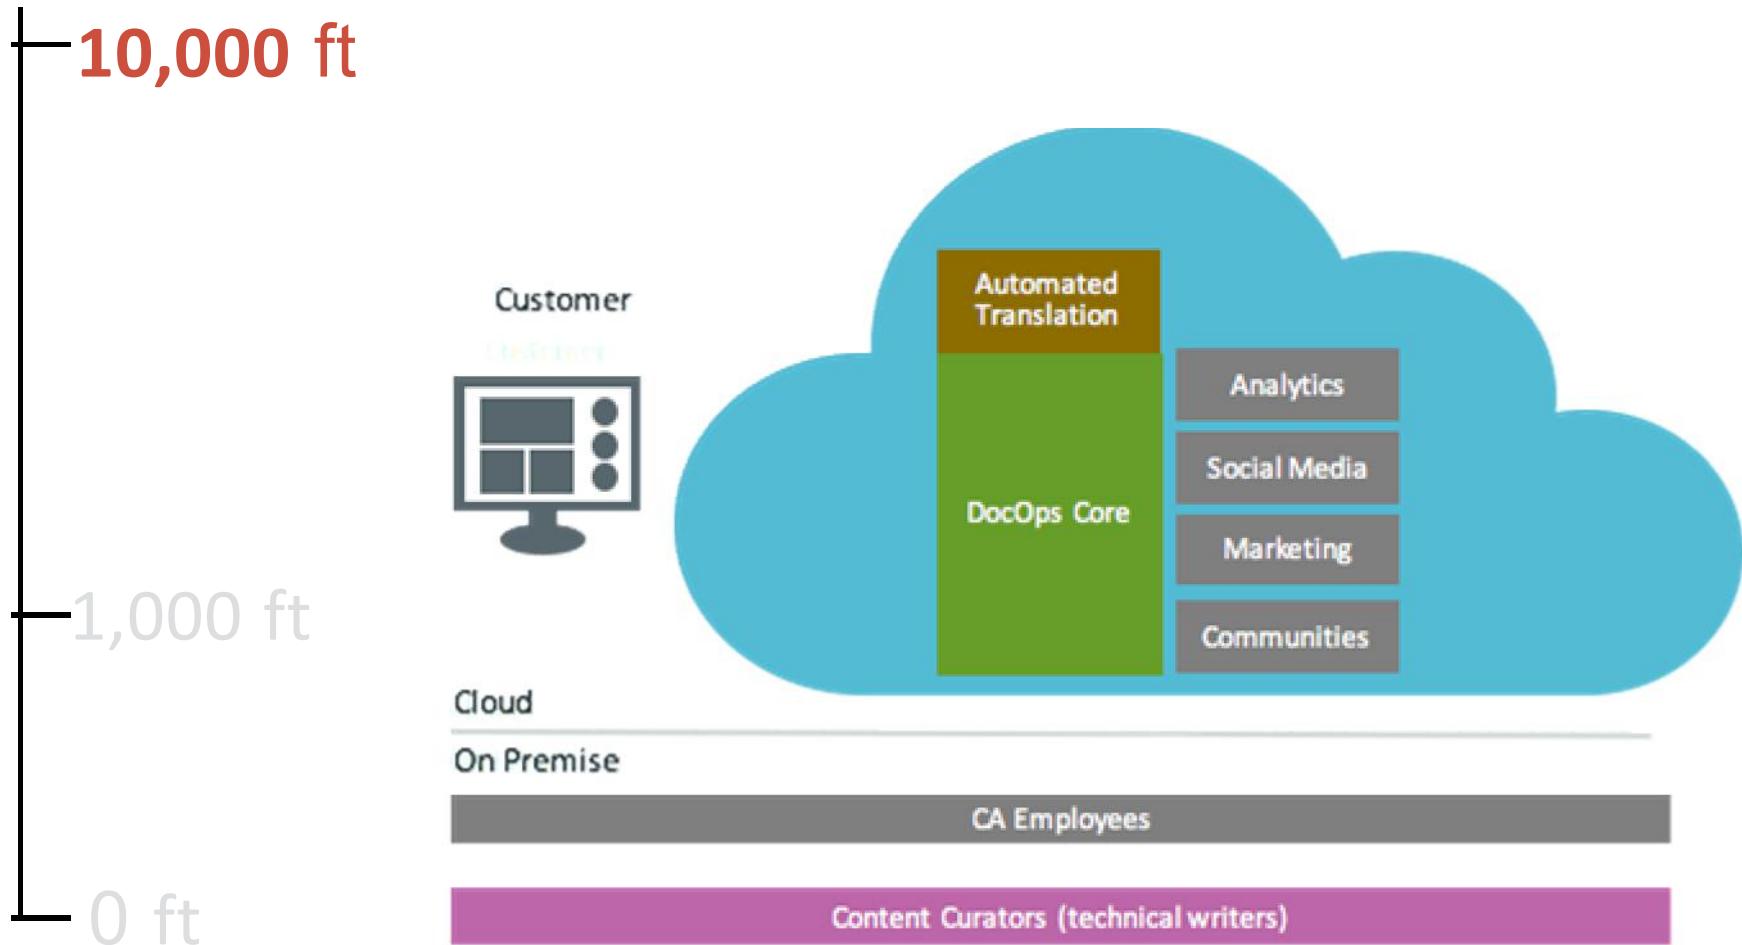

- Real-time Customer Validation
- Collaborative Authoring
- Faster Translation
- Automation
- Reporting
- Lean Standards
- Lean Processes

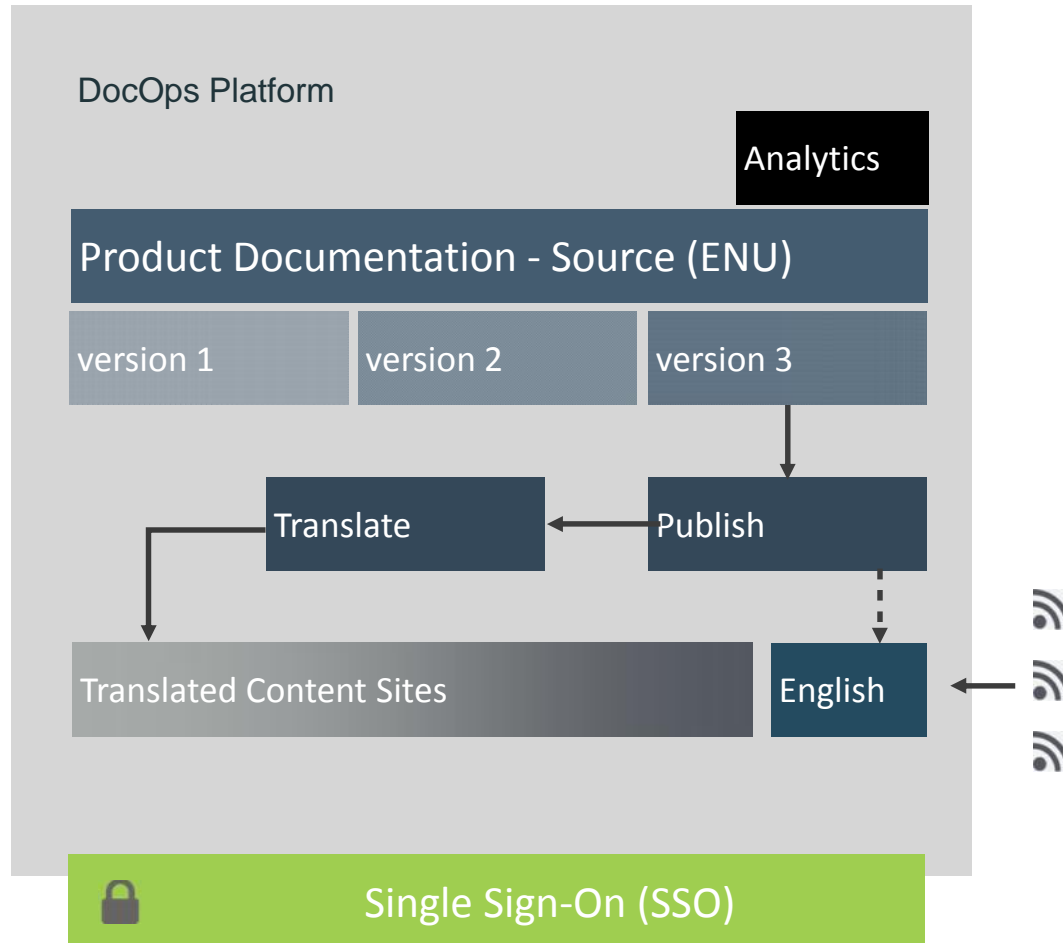

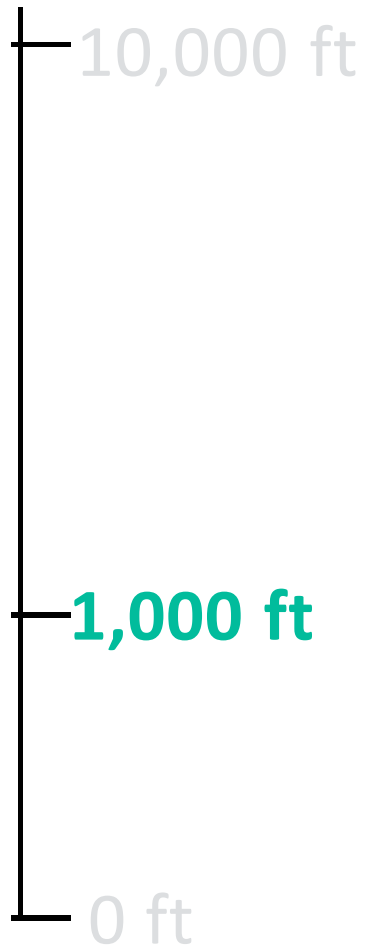

The Content Cousin of DevOps

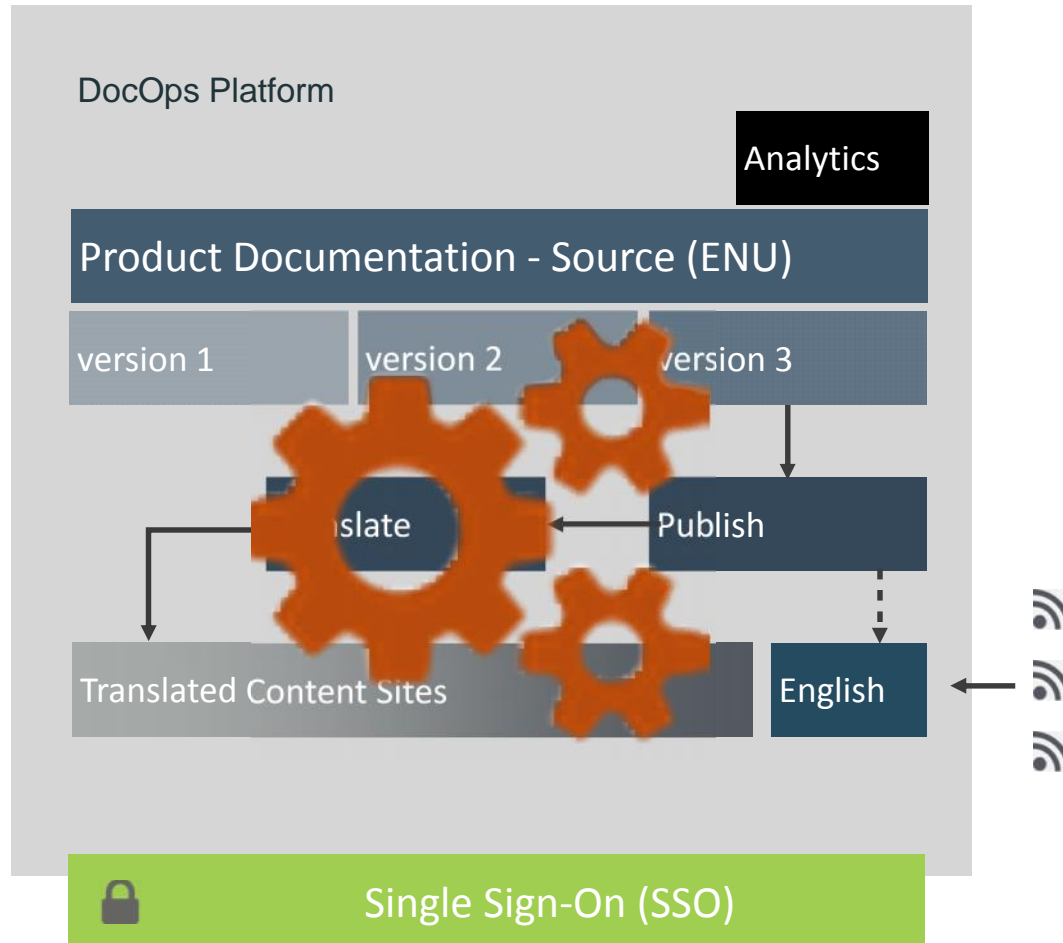

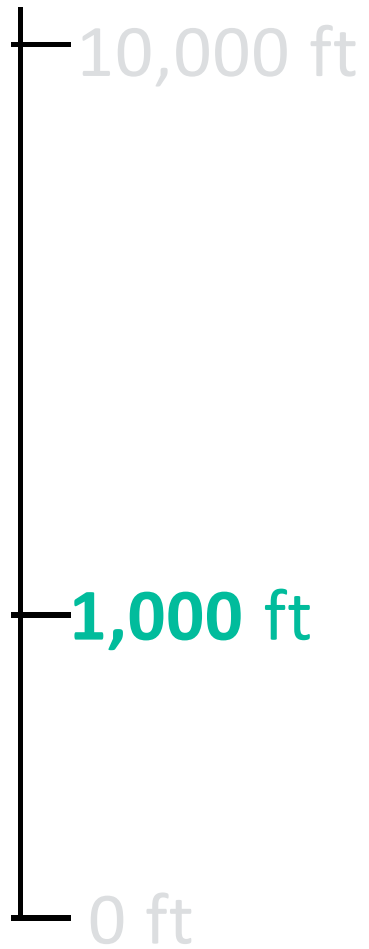

DocOps

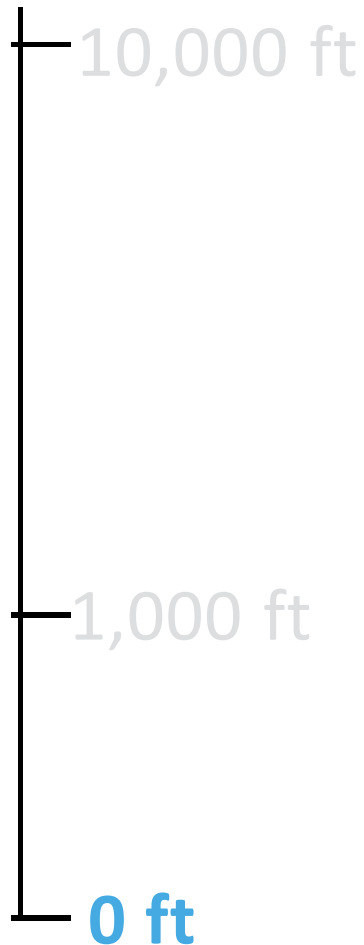

DocOps

DocOps

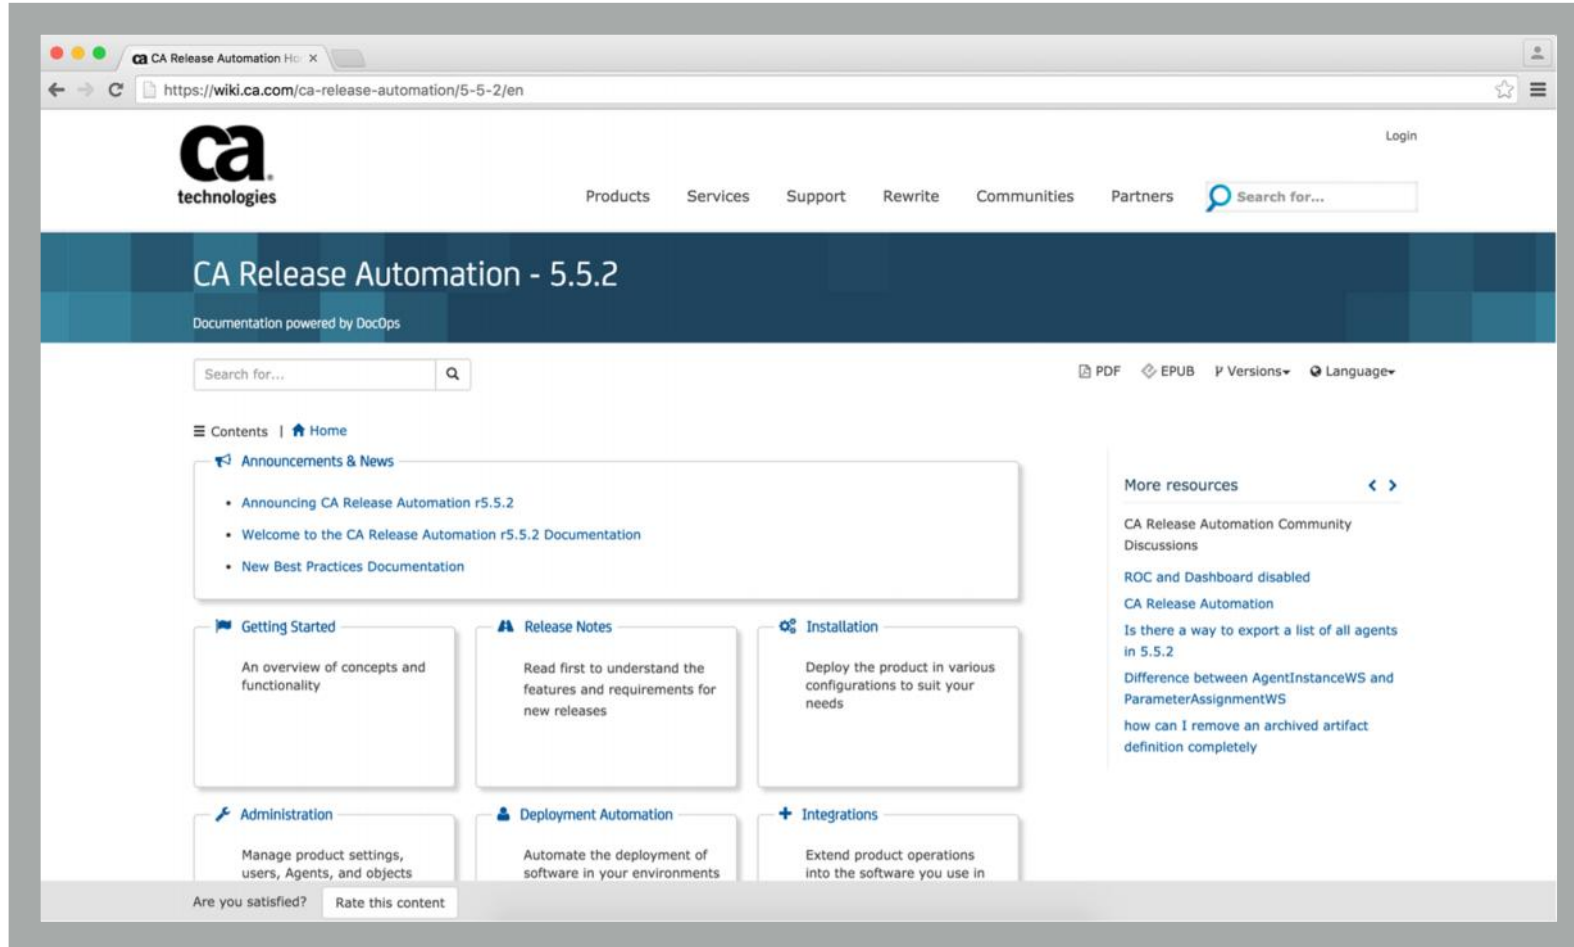

DocOps

- Cloud Infrastructure
- Atlassian Confluence
- 22 plugins in action
- Translation Cloud (Lingotek)
- Single Sign-On (SSO)
- Reporting

- Writing Standards 2.0 - Lean
- 9 Formatting Styles

How does it look like?

Speed

- Publishing
- Translation
- Response to Customers
- Better Decision Making Ability
